To: AASA Society Members in the Africa-Middle East, Americas, and European Zones

Re: Nominations for Leadership Council

Dear Africa-Middle East, Americas, and European Zones AASA Members:

As you may recall, the terms of the Councilors on the Leadership Council are staggered so that only some of our council members' terms end concurrently. Accordingly, three of our Councilors, Khurram Malick, Oswaldo deSiqueira Bueno, and Carlos Lisbo, are completing their terms in June. We need to elect, or re-elect, three Councilors to a three-year term to represent the Africa-Middle East, Americas, and European zones.

Nominations are needed for the following zones:

Zone	Departing Council Member	Nominated Council Member
Africa-Middle East	Khurram Malick	
Americas	Oswaldo deSiqueira Bueno	
European	Carlos Lisboa	

I am requesting that all AASA member organizations in the Africa-Middle East, Americas, and European zones advertise these openings and solicit nominations for a three-year term on the AASA Leadership Council. I would ask that each AASA member organization submit their nominations for Councilor by May 19, 2023, to Tammy Catchings at [tcatchings@ashrae.org](mailto:tcatchings@ashrae.org). Once the nominations are received, I will issue a letter ballot to each AASA member organization in the Africa-Middle East, Americas, and European zones to be due by June 2, 2023, so that we can install the new Councilors at our annual meeting in Tampa.

As always, I appreciate all you do for AASA and our industry.

Sincerely,

Sheila J. Hayter  
Chair
