NOTICE OF TECHNICAL MEETING

VENUE: ACRA, 203 ELEMENT ROAD, CHLOOKOP
DATE: 19 SEPTEMBER 2019
TIME: 18H00 for 18h30
SPEAKER: GRANT LAIDLAW
SUBJECT: The state of training in the HERVAC industry

SYNOPSIS OF TALK:

Grant Laidlaw will be speaking on the state of training in South Africa, the exiting new Air conditioning Trade recently registered with QCTO. The New Ammonia and Carbon-Dioxide ares of specialization in the refrigeration trade, New Part qualifications - what they are and what part qualifications mean to you and our industry, Trade testing - how to get qualified. New trade tests that are in the pipeline.

New role players - QCTO and NAMB and the new SETA system. Learnerships and apprenticeships. Moving forward - exciting times for our industry, don't get left behind.
