

# SAIRAC

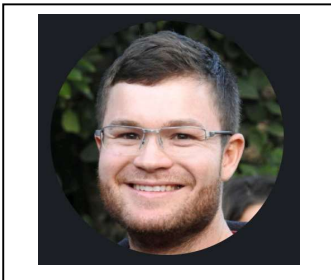

The South African Institute of Refrigeration and Air Conditioning

[www.sairac.co.za](http://www.sairac.co.za)

Dear SAIRAC members

You are invited to our Cape Town Centre Technical Talk on Tuesday, 10<sup>th</sup> June 2025.

**TOPIC: Basics of Airflow Commissioning presented by Theo van der Linde.**

Theo van der Linde has been in the HVAC Industry since his graduation and is now a registered Pr. Tech in the industry. Theo has exposure to various types of HVAC systems including Chilled Water, DX systems and many more. A good foundation to understanding airflow is in place with vast experience working in Clean Room and Laboratory environments where Airflow balancing is crucial. Theo is currently the Head of Project at SFI Group where he leads the projects team on a wide variety of projects.

**SYNOPSIS** of what the talk is about:

- Introduction to Airflow Commissioning
- Equipment used to commission airflow in different environments
- Commissioning Pre-checks
- System design fundamentals
- Basic Calculations and balancing procedures
- Common Issues and Troubleshooting

Venue: Parow Golf Club – Frans Conradie Road - Parow

Date & Time: 10 June 2025 @ 18h00 for 18h30

**RSVP is essential and must be submitted by 12:00 on 9<sup>th</sup> June 2025**

**Please confirm your attendance via email or WhatsApp message**
