Nominations

It is once again time for the election of the new SAIRAC Cape Town Centre Committee for the upcoming term.

As the Committee serves an important role in supporting and advancing our industry, we encourage all members to actively participate in the nomination process by nominating individuals whom they believe will make a positive contribution to the Institute and the HVAC&R industry as a whole.

We would also like to thank all nominees in advance for making their time and expertise available to serve the industry. Should any member wish to serve on the Committee and feel they have a valuable contribution to make, they are encouraged to nominate themselves as a candidate.

We would like to express our sincere gratitude to the current Committee for their dedication and contributions during the past term. Your efforts and commitment have not gone unnoticed and are greatly appreciated.
