

SAIRAC

The South African Institute of Refrigeration and Air Conditioning

www.sairac.co.za

Dear SAIRAC Members & Industry Associates,

You are invited to our Durban Centre Technical Talk on the 30th of July ,2026

TOPIC: Commissioning of HVAC systems explained.

Presented by Shaun Dragt, Director at Dragt & Associates

Synopsis:

VAV vs CV (Air)

Variable flow vs constant flow (Water)

The importance of the make-up system

The importance of open communication with both the contractor and consulting engineer.

Who Should Attend

The talk will be targeted at technicians who have been tasked with taking readings on site but may not be familiar with their specific applications and the impact they have on project outcomes. The focus will be on larger commercial chilled water and VAV systems.

Venue: ACRA Training College, 21 Nipper Road, Pinetown

Date & Time: 30th July, Thursday 2026 5:30pm for 6pm

Snacks and refreshments will be provided

Please send RSVP to: Durbansecretary@sairac.co.za on/Monday 27th July before 12h00

Kind Regards

Jade Banks

Durban Secretary
